Statement of Faith

We believe...

- ✍ The Bible is the inerrantly inspired Word of God and is our only authority in matters of faith and practice.

- ✍ In God, Creator of all things, infinitely perfect and eternally existing in three persons: Father, Son, and Holy Spirit. We believe in the six literal days of creation.

- ✍ Jesus Christ, God the Son, is fully God and became truly human through His virgin birth. His sinless life, voluntary death, shed blood, and bodily resurrection were necessary and sufficient for the redemption of man - the justification of sinners through faith in Him, wholly apart from human works. He will visibly and bodily return to earth in glory. We believe in eternal security for the redeemed.

- ✍ The Holy Spirit is fully God. Through His power and presence, He is the effective agent in the new birth and, through His indwelling, empowers the believer for godly living and service. Certain sign gifts of the Holy Spirit such as the gift of tongues and healing, have ceased while other gifts continue today.

- ✍ Man was created by God, in His image, as a moral and rational being. The historic fall of man into sin through disobedience, individually and corporately, resulted in divine condemnation.

- ✍ The redeemed will be resurrected to the everlasting presence and enjoyment of God, and the unredeemed will be resurrected to judgment and everlasting punishment
